Hands of Dealers.

Good supplies of choice fish from the coast and bay fisheries are being received at the wholesale market at the wharf and prices continue low. Shad and herring are growing scarcer as the ceason passes, and several dealers have called on the Delaware fisheries for supplies, though the gillers are still catching a few of the fish. Butterfish, catching a few of the stated, and the coast and bay fisheries are cape. cially plentiful.

The market this morning was well atfollows: Roe shad, 75 cents each; buck shad, 30 cents each; herring, \$1 a hun-dred; Spanish mackerel, 12½ to 15 cents greq; spanish mackerel, 12½ to 15 cents a pound; bluefish, 10 cents a pound; rock, 15 cents a pound; pike 10 cents a pound; tile, 6 cents a pound; flounders, \$5 a barrel; croakers, \$3 to \$6 a barrel; butterfish, \$7.50 a

it the kingdom of Christ.

To do this, we must abide ber apartment, she stated, with a duplicate key or by ascending the fire-to the great readjustment that is going on. We have got to relate ourselves to other churches in a totally different atmosphere than exists today. The American church has approximated primitive Christianity, and we are gogray trout, \$3 to \$7 a barrel; croakers, \$3 to \$6 a barrel; butterfish, \$7.50 a barrel; seabass, \$8 a barrel; croakers, \$25 cents each; white perch, large, 10 to 12½ cents a pound; white perch, gmall, 5 to 25 cents a bunch, and catfish, 15 to 25 cents a bunch, and catfish, 16 to 25 cents a bunch, and catfi

tian who is living the Christ life. If the church gets this spirit we will de-liver ourselves from that horror of sec-ing ourselves walking backward into the twilight."

"End of the Rainbow."

The juvenile musical comedy given by River Weather Prophets Call Atten- which a cast of 125 children contributed men last evening at Masonic Temple According to the weather prophets by the wharf several days of hot weather are due. They base their belief on the fact that sextants show a large spot on the sun, and as long as it is Misible hot weather will be the portion of Washington and vicinity. A master mariner who has sailed all oceans says that in the hottest period of last summer—in August—a large spot was visible on the suns face. Three days the spot remained and three days Washington sizzled night and ay. When the spot disappeared cooler weather came. The spot now on the sun is about half way across its lower right-hand quarter and is plainly visible through smoked glass.

Songs, dances and clever acting to "The End of the Rainbow," before a capacity audience, at the Belasco last night. Advirey Keys interpreted the coquettish primates for so young a girl. Margaret Huss led the class in a number of fantastically pretty dances, Donald Dudley made a dashing "millionaire bachelor," and Doris Schlegel was enthusiastically applauded for her portrayal of Pavlowa's dance, "The Dying Swan." A hit was made by Young Sam Iden Thompson in his song, "When the spot disappeared by "six little peaches," and Margaret Van Sant was artistic in her classic posing of "Wistaria," a Japanese dance. Van Sant was artistic in her classic posing of "Wistaria," a Japanese dance. Van Sant was artistic in her classic posing of "Wistaria," a Japanese dance.
